Find used shipping containers for sale or rent, including container offices and combination storage units, through our fleet of gently used containers.

Staxxon's foldable containers -- which can be stacked in bundles -- are one solution to this. Staxxon designs foldable intermodal shipping containers, a solution designed to tackle 'empty running', whereby empty containers clog ports and hurt supply. George Kochanowski is CEO of Staxxon, a company.

When the Japanese registered Hakone Maru set sail for the first time from Japan on August 27, 1968, on its voyage to Oakland, United States it was a giant step in maritime cargo transportation – especially the transportation of standardized box containers. On its maiden voyage, it carried 752.

At US Conex, we offer a wide range of new and used shipping containers for sale. We maintain depots in 30+ U.S. cities to deliver inspected, grade-A used containers and new containers within 10 business days. Our industry-leading 25-year warranty and pay-after-delivery option ensure you inspect.

A foldable cargo container looks like a traditional container, but it offers the opportunity of saving space when it's not being used. This type of container can be folded vertically and horizontally with the port's standard machinery and, of course, handled with container spreaders. Why do we need.
