

20 lithium batteries assembled into a 36v battery pack

20 lithium batteries assembled into a 36v battery pack

[The origin on why '%20' is used as a space in URLs](#)

I am interested in knowing why '%20' is used as a space in URLs, particularly why %20 was used and why we even need it in the first place.

[Setting JAVA_HOME environment variable in MS Windows](#)

Set the JAVA_HOME Variable Windows 7 - Right click My Computer and select Properties > Advanced Windows 8 - Go to Control Panel > System > Advanced System Settings Windows ...

node.js

I'm using Windows as a simple user (I don't have any admin rights) and want to install NodeJS LTS. On the download site I have the choice to download only the binary ...

c++

The value for C++20 is 202002L, as you can see at [cpp.predefined]p1.1: __cplusplus The integer literal 202002L. [Note: It is intended that future versions of this ...

http

Since it's not mentioned anywhere in the grammar, the only way to encode a space is with percent-encoding (%20). In fact, the RFC even states that spaces are delimiters and should ...

OpenSSL Verify return code: 20 (unable to get local issuer ...

[How do I replace spaces with %20 in PowerShell?](#)

The output transformation you need (spaces to %20, forward slashes to %2F) is called URL encoding. It replaces (escapes) characters that have a special meaning when part of a URL ...

[URL encoding the space character: + or %20?](#)

As the aforementioned RFC does not include any reference of encoding spaces as +, I guess using %20 is the way to go today. For example, "%20" is the percent-encoding for ...

OpenSSL Verify return code: 20 (unable to get local issuer certificate) Asked 13 years, 5 months ago Modified 1 year ago Viewed 390k times

[Upgrading Node.js to the latest version](#)

[In a URL, should spaces be encoded using %20 or +? \[duplicate\]](#)

@MetaByter I think it is more technically correct to phrase the question as "In a URL, should I encode the spaces using %20 or + in the query part of a URL?" because while the example ...
