

Ashgabat solar glass import

Overview

Does India impose anti-dumping duty on imports of solar glass?

The Indian government has imposed a definitive anti-dumping duty on imports of solar glass originating in or exported from China and Vietnam. The Indian government has imposed a definitive anti-dumping duty on imports of solar glass (textured tempered coated and uncoated glass), originating in or exported from China and Vietnam.

How much is anti-dumping duty on solar glass?

In a bid to reduce imports and boost domestic manufacturing, the union ministry of finance last month imposed a provisional anti-dumping duty on textured, tempered, coated and uncoated solar glass imports from China in the range of \$673-677 per tonne and \$565 per tonne for imports from Vietnam.

Why are India's solar glass imports being investigated?

The investigation into below-cost imports from China and Vietnam began in February last year, following a complaint by Indian manufacturers led by Borosil Renewables, the country's largest producer of solar glass. Four other domestic manufacturers also produce the product.

Why is solar glass a problem in India?

While demand for solar modules was rising in India, the supply of cheap imported glass was hurting Indian companies like Borosil Renewables, who filed a complaint with the government. China's solar glass industry benefits from heavy subsidies and overproduction.
