

Battery cabinet assembly ESS power base station

Higer conversion efficiency

CAN/RS485/WIFI/4G
Blue tooth communication

20 Kwh

30 Kwh

50 Kwh

Thick shell, well protection for inside cells

BMS customization supported

The advertisement features three white battery cabinet assemblies on wheels, arranged in a row. Each unit is composed of several stacked modules. The units are labeled with their capacities: 20 Kwh, 30 Kwh, and 50 Kwh. The background shows a house and a clear sky. The text highlights features like high conversion efficiency, communication capabilities (CAN, RS485, WIFI, 4G, Bluetooth), a thick protective shell, and BMS customization support.

Battery cabinet assembly ESS power base station

OEM |BESS Container|Billion Electric
