Join Our Mailing List for special offers! If you're looking for commercial circuit breakers, we've got what you need! Breaker Broker offers a wide selection of

commercial circuit breakers and related equipment. What is a k & d curve breaker?

The ideal application is a circuit with a motor load. The K and D curve breakers are both designed for motor applications where ampacity rises quickly and momentarily during “start-up.” Both curves can “ride through” the momentary inrush of current and prevent nuisance tripping while providing protection to the circuit.
