

# Bulgaria high-tech solar container system manufacturer

## Overview

---

SERMATEC, a pioneer in renewable energy solutions, has launched an innovative 5.1MW/17.8MWh commercial and industrial energy storage system in Bulgaria. This groundbreaking project is set to transform the local energy landscape by enhancing solar power efficiency and supporting.

SERMATEC, a pioneer in renewable energy solutions, has launched an innovative 5.1MW/17.8MWh commercial and industrial energy storage system in Bulgaria. This groundbreaking project is set to transform the local energy landscape by enhancing solar power efficiency and supporting.

IPS has developed an 8.1 MWh utility-scale battery energy storage system (BESS) housed in a 20-foot container with an integrated 4 MW inverter. The Bulgarian manufacturer says it aims to meet growing demand for efficient, large-scale energy storage solutions. From ESS News Bulgaria-based storage.

International Power Supply (IPS), a Bulgarian manufacturer of battery energy storage systems, is about to launch operations at its new facility near Sofia. Its latest model has 8.2 MWh and fits into a standard container. The company plans to double the factory's annual capacity to 3 GWh already by.

SERMATEC, a pioneer in renewable energy solutions, has launched an innovative 5.1MW/17.8MWh commercial and industrial energy storage system in Bulgaria. Welcome to Highjoule's Bulgaria page — your trusted source for solar and energy storage solutions in Bulgaria. We provide advanced systems for homes, businesses, and industries, including commercial & industrial energy storage, residential battery storage, photovoltaic storage inverters, and hybrid.

In June 2024, the 25 MW / 55 MWh utility-scale battery energy storage system (BESS) located in Razlog Municipality, Southwestern Bulgaria commenced commercial operations. This significant milestone marks the system as Bulgaria's largest BESS project to date, jointly developed by Kehua and Solarpro.

Three years ago, SCU deployed the country's first 40ft containerized energy

storage system at a solar farm in Bulgaria, setting a precedent for large-scale industrial and commercial energy storage. Now, three years later, how is this system running?

What value has it brought to customers?

This.

## Bulgaria high-tech solar container system manufacturer

### [IPS unveils 8.1 MWh utility-scale BESS](#)

Bulgaria-based storage manufacturer IPS has released a new utility-scale BESS with a rated capacity of 8.1 MWh and an integrated 4 MW inverter. The X-BESS 8 system is ...
