Located in Chiang Mai, the Oelmaier Technology company was founded by its Managing Director Mr. Uwe Konrad. The long established solar energy company has been providing a range of energy efficient solutions for applications ranging from Photovoltaic Grid Inverters for solar farms, solar roof.

The company specializes in the photovoltaic market, providing high-quality solar solutions and extensive support for the design, supply, and production phases of solar projects. With over 25 years of experience and a strong global network, they ensure optimal efficiency for solar plants and.

Our offerings include a diverse selection of the latest solar products – from solar panels and inverters to complete solar systems – designed to meet the unique needs of both residential and commercial markets. But we don't stop there. Our focus is on shaping the future of energy with cutting-edge.

Amid falling solar panel costs, recent regulatory easing, and shifting trade flows due to U.S. tariffs, Thailand's rooftop solar market is drawing heightened expectations. Industry players anticipate a surge in demand, with Thai and multinational companies gearing up for increased activity.

This outstanding LFP (LiFePO₄) high voltage battery is ONLY sold together with the Alpha Smile T10-HV Inverter as a set or for Smile T10-HV owners who want to expand their system! We offer custom designed solar power systems for Thailand homes and businesses. Our international team of experts will.
