

East Timor solar glass greenhouse customization

Overview

Can a luxury greenhouse be used as a solarium?

Your luxury greenhouse can also be designed as a solarium or a combination of the two, becoming your own personal "Secret Garden." We can create other structures as well, including pool enclosures and storage sheds. There are many options for a greenhouse frame, wall and roof coverings, venting and entryways.

Why should you buy a custom greenhouse from greenhouse Megastore?

When purchasing a custom greenhouse from Greenhouse Megastore, you are guaranteed a greenhouse that is aesthetically pleasing and highly functional. It can be automated, irrigated, heated and cooled to be an effective tool for growing and maintaining plants.

Why should you choose solar innovations ® for Your Greenhouse & Conservatory?

Unlike most greenhouse & conservatory manufacturers, Solar Innovations ® provides all the necessary fasteners, silicone, and flashings for your project. These services help customers reduce installation time and cost, providing a high quality final product.

Why should you choose a custom greenhouse?

All custom greenhouses are designed to accommodate your growing needs, the local environment, the landscape, building codes and every other factor that must be considered. At Greenhouse Megastore, we make building a backyard greenhouse that fits your needs as easy as possible.
