

# Emergency Command Folding Container 20kW Customer Support

## Overview

---

What are ready America emergency response & disaster relief containers?

Ready America customizes and delivers Emergency Response & Disaster Relief Containers nationwide. They are custom retrofit Grade A containers that offer secure storage of critical supplies. For quick deployment in an orderly fashion, and to save time when it matters most, emergency supplies are stored on heavy-duty metro racks.

Why are emergency supplies stored on heavy-duty Metro racks?

For quick deployment in an orderly fashion, and to save time when it matters most, emergency supplies are stored on heavy-duty metro racks. Some features of our containers are:

What is a portable emergency response center?

The Portable Emergency Response Center is a small tactical mobile communication network that can be easily transported and deployed anywhere in the world with satellite access. Mobile hot spot with dual sim LTE connectivity including FirstNet Band 14. Internal POE switch providing 4 POE ports for cameras, computers, and hosted VoIP phones.

Are mobile command systems essential for emergency operations?

The U.S. Department of Homeland Security's SAVER Program shows that mobile command systems are essential for emergency operations, especially in challenging environments where access is limited.
