Bangkok's first dedicated outlet mall can be found just outside the city centre, a short (ish) walk from Surasak BTS station. It's part of the Thai retail conglomerate Central Group, which means plenty of bargains on things like last season's fashion and factory overstock. The ground floor is home.

An outlet store is a store where the manufacturer sells its own branded items for a significantly reduced price. Why are outlet store items cheaper?

Previously, outlet stores usually sold items that are past season and overstocked. However, outlet stores at present sell items that look similar to.
