

High quality 15kw hybrid inverter for sale exporter

Overview

What is Growatt wit 15kW Hu inverter?

The Growatt WIT 15kW-HU inverter is a three-phase hybrid inverter designed for residential and small industrial applications. It is known for its affordable price and high quality. The inverter is certified for the global market and is commonly used in pro-consumer installations. It comes in various capacities ranging from 4kW to 15kW.

What is a hybrid inverter?

Hybrid inverters, sometimes called battery-ready inverters, are similar to string solar inverters but enable the direct connection of a battery storage system to allow greater self-sufficiency using solar. Most hybrid inverters provide basic backup power during a blackout but are generally not designed for continuous off-grid use.

Who is Growatt solar inverter?

Growatt entered the solar inverter market back in 2010 and has grown rapidly to become one of the world's largest inverter manufacturers.

Who makes the best solar string inverter?

We review the best grid-connect solar inverters from the worlds leading manufacturers Fronius, SMA, SolarEdge, Fimer, Sungrow, Huawei, Goodwe, Solis and many more to decide who offers the highest quality and most reliable solar string inverters for residential and commercial solar.

High quality 15kw hybrid inverter for sale exporter
