Please note we have changed our bank account as of 05/11/2025 and have sent out an email containing the new details. Please amend your records to make sure any future payments are made to our new bank account. If you have any questions, please don't hesitate to contact our customer service team.

Find a huge range of Thermal Magnetic Circuit Breakers at Farnell Switzerland. We stock a large selection of Thermal Magnetic Circuit Breakers, including new and most popular products from the world's top manufacturers including: Siemens, Abb, Eaton Moeller, Schneider Electric & Weidmuller Buy.

E-T-A offers the widest range of circuit breakers in the global market. It comprises thermal and thermal-magnetic devices as well as magnetic and hydraulic-magnetic circuit breakers and also high performance circuit breakers. A wealth of configurations is available of the individual types. Due to.

SCHURTER has a long tradition with circuit breakers. In addition to their thermal release (bimetal), the classic TA35 and TA36 are now optionally equipped with an additional magnetic module, which promises reliable protection within milliseconds in the event of very high overcurrent (short).

Over three decades, Kumar Magnet Industries is successfully catering as a leading High Power Permanent Magnetic Equipment Manufactures and Exporters in Switzerland. With quality products and prompt services, we have acquired a huge clientele in domestic as well as international market. The.

GB2 thermal magnetic device circuit breakers. DIN rail mounted, mechanically resettable protectors Overload and short circuit protection for control circuits and associated industrial equipment, e.g. solenoid valves, electric brakes, transformers, etc. Rated operating voltage: 415 V Height 74 mm;.

High quality magnetic breaker in Switzerland

Switzerland's Role in the Global Circuit Breakers Market Surge

Switzerland, renowned for its high-quality manufacturing standards, is set to dominate the European market. Swiss companies are at the forefront, developing advanced ...

[Schneider Electric 1P thermal magnetic circuit breaker,10A](#)

GB2 thermal magnetic device circuit breakers. DIN rail mounted, mechanically resettable protectors Overload and short circuit protection for control circuits and associated industrial ...

Thermal-Magnetic Circuit Breakers

Depending on the application, the magnetic modules are available either with a slow or a fast acting characteristic. Both models are designed for snap-in mounting and with ...

[Thermal-Magnetic Overcurrent Circuit Breakers , E-T-A](#)

Thermal-magnetic overcurrent circuit breakers designed by E-T-A providing protection against overcurrent and short circuits in electrical equipment requiring high precision performance

[Magnet Manufacturers In Switzerland, Neodymium Magnet, ...](#)

Over three decades, Kumar Magnet Industries is successfully catering as a leading High Power Permanent Magnetic Equipment Manufactures and Exporters in Switzerland. With quality ...
