In Northern Norway, these are Andøya and Bardufoss air stations, Setermoen garrison, as well as a mountain complex in Evenes municipality. The Norwegian parliament must approve the agreement. Norway and the USA signed a Supplementary Defense Cooperation Agreement (SDCA) in the spring of 2021. This.

The Norwegian government will allow eight new “unified areas” where the United States can build out military infrastructure. From before, they have been given four such areas in Norway. The proposed new places that are opened up to the Americans are Andøya air station, Ørland air station.

Andøya, Bardufoss and Setermoen in northern Norway are among the eight new dedicated areas where the United States military could be allowed to build infrastructure to strengthen defense cooperation with the Nordics. An amendment agreement was signed by U.S. Ambassador Marc Nathason and Defense.

NEWS ANALYSIS: Norway’s Parliament has cleared the way for US military forces to set up their own operations on four Norwegian bases. They’re not entirely welcome, but a solid majority has backed the government’s new “defense agreement” with the US, marking the biggest change in Norwegian base.

Andøya Air Station in Vesterålen has been launched as one of several new Norwegian-American agreed areas in Northern Norway. Such an arrangement is supported by Andøy municipality and the Norwegian parliament. Here, an American F/A-18 Hornet fighter takes off at this air station during the exercise.

How many Military bases are in Norway?

There are 41 Military bases in Norway as of October, 2025. Preview of Military base businesses in Norway

Haakonsvern Naval Ba. How many US military bases are in Norway?

On Friday afternoon, Norwegian MoD Bjørn Arild Gram and the US Ambassador to Norway, Marc Nathanson, signed an amendment agreement establishing eight new agreed areas. The US already has unimpeded access to and use of four military bases in Norway. In Northern Norway, these include the Ramsund Naval Station and Evenes Air Station.

How many pre-defined military facilities are there in Norway?

With eight new, there will be a total of 12 pre-defined military facilities and areas under the so-called Supplementary Defense Cooperation Agreement (SDCA). The amendment is now pending the consent of the Norwegian Parliament.

Does Norway have a military base on Norwegian soil?

Since 1949, the Norwegian policy has been that other countries should not have military bases on Norwegian soil. The purpose is to ensure a balance between deterring and reassuring Russia. This article originally appeared in the March 2024 issue of The Norwegian American.

Will the United States be able to build military infrastructure in Norway?

According to the Norwegian government, the United States may be given exclusive rights to use parts of the areas and build military infrastructure. The United States will have unfettered access to the areas. "The security policy and operational needs are greater and more serious now than when the agreement was negotiated in 2021.
