

Mexican Gong solar glass

Overview

How do you care for Mexican glassware?

Use and Care of Mexican Glassware: All authentic Mexican glassware has bubbles trapped within the glass and is non-tempered. The tiny air bubbles can expand and crack the glass when exposed to extreme temperature changes. Hand washing is recommended. If using a dishwasher, allow a cooling off period before removing from the dishwasher.

Are Mexican glassware dishwasher safe?

No two pieces ever look exactly alike, which adds to their charm and uniqueness. Each glass is truly a piece of art, and dishwasher safe. Our Mexican Glassware is sold with a minimum purchase of 4 per style and our pitchers are sold separately. [Click for wholesale inquiry for Mexican Glass.](#)

Are Mexican glass blowers dishwasher safe?

Mexican Glass blowers use lead-free recycled glass. All of our Mexican Glassware is also dishwasher safe. No two pieces are ever exactly alike in size or shape, which adds to their charm. Pitchers are sold separately. Glasses have a minimum purchase of 4 per style. [Click here for more information on our hand-blown Glassware from Mexico.](#)
