Description: Littelfuse is a global manufacturer of leading technologies in circuit protection, power control, and sensing. Sold worldwide, our products are found in automotive and commercial vehicles, industrial applications, data and telecommunications, medical devices, consumer electronics, and.

Are you planning to import circuit breakers from China but unsure about how to find a trustworthy supplier?

You're Not Alone! China is now the world's largest manufacturer of electrical components. Buying circuit breakers from this manufacturing center can greatly benefit your business - if done.

But here's what the catalog doesn't tell you: only 4 of China's top 10 circuit breaker manufacturers actually hold UL489 certification for North American export. Another 3 have CE marking but fail IEC 60947-2 third-party verification. And two don't list certifications at all—just.
