The Ministry of New & Renewable Energy in New Delhi has introduced new guidelines allowing two additional payment methods for installing rooftop solar systems under the PM-Surya Ghar: Muft Bijli Yojana. These include the RESCO and utility-led aggregation models, ensuring payment security and grant.

The addition of new payment options under the PM Surya Ghar Yojana makes it easier for more households to install rooftop solar systems and supports India's move toward cleaner energy. New Delhi, UPDATED: Jan 16, 2025 18:06 IST New guidelines for the PM Surya Ghar: Muft Bijli Yojana has been issued.

Thanks to the Delhi Solar Policy 2024 and the PM Surya Ghar Muft Bijli Yojana, residents can claim both central and state-level subsidies, significantly lowering installation costs. □ New Update: The Delhi government has approved an additional subsidy of ₹30,000 for the installation of 3 kW rooftop.

Delhi launched its solar policy in 2016, and in 2023, introduced an updated solar roadmap with the goal of achieving 6,000 MW of installed capacity by 2025. Both policies promote solar adoption across residential, commercial, and industrial sectors through capital subsidies, generation-based.

Read the Policy document here: [Delhi Solar Policy 2023](#) The Delhi Solar Energy Policy 2023 (hereafter, 'the policy') was notified in March 2024 with the goal of increasing installed rooftop solar capacity to 750 MW within the state and accessing utility-scale solar capacity of 3,750 MW from outside.

The cost of solar panels depends on several factors including the size of your

system, panel quality, installation type, and your choice of vendor. Here's an updated price range: These costs typically include: Under the PM Surya Ghar Muft Bijli Yojana, the government offers direct financial.
