COLLAPSECON is the next evolution of shipping containers – a fully automated collapsible container that will improve operational efficiencies, deliver economic savings and reduce environmental impact across the supply chain, all without requiring a fundamental change to the industry or global.

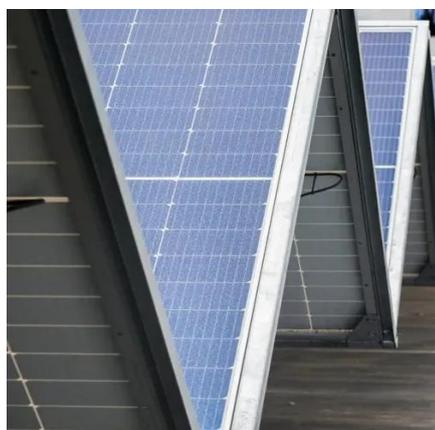

Receive an instant quote, look up rates, and book a shipment – all in one place. Trusted by more than 100,000 customers worldwide. Retail, auto, electronic parts, and more. Ship perishables with end-to-end visibility. Services to ship Out-of-gauge cargo. Ship dangerous cargo. Get fixed prices and.

Collapsible bulk containers, also known as knockdown containers or knockdown bins, are space saving containers perfectly engineered for both durability and longevity. These foldable containers are made of high-density polyethylene (HDPE), a durable material that will protect your product throughout.

Our collapsible containers are easy and cost-effective to relocate when empty because they're stackable. Environmental regulations and changing public attitudes are putting considerable pressure on the air cargo industry to reduce its carbon footprint. Using ULDs that maximise volume when full and.
