Price and other details may vary based on product size and color. Need help?

Discover durable solar battery boxes for your trolling motor, RV, boat, or solar panel setup. Featuring multi-port functionality and weatherproof designs.

Did you know only about 15% of outdoor battery containers actually protect your batteries well enough for harsh conditions?

Having tested many, I've found that a truly reliable container needs to be durable, water-resistant, and easy to secure. Believe me, after dropping a few batteries or battling.

If you're using batteries with your off-grid system, you will need to protect them from the elements and separated from living areas. Often that means a dedicated enclosure. We supply various sizes of enclosures for holding batteries and associated electronics. Our most popular metal battery boxes.

Unbound Solar carries durable solar battery boxes and enclosures that are perfect for your off-grid or grid-tie with battery backup system. Browse today. A poorly designed system can ruin your batteries. Our Solar Battery Guide will help you size your battery bank properly and keep things running.
