

Solar glass display rack

Overview

What is a sunglass rack?

These sunglass racks are countertop or floorstanding rotating store fixtures. With mirrors featured on the sides of these displays it's easy for customers to view themselves and see how they look in a new set of frames or shades. Sunglasses displays, towers and racks are available in both modern and traditional designs.

How much does a sunglass display rack cost?

Displaying your sunglasses in an attractive manner is a sure way to get potential buyers' attention. We have a number of sunglass display racks, from counter-top to floor models. We have rotating sunglass displays, locking displays and more. Our sunglass racks start as low as \$9.

What is a sunglass display?

A sunglass display is an ideal way to showcase multiple pairs of eyewear in a central location. These sunglass racks are countertop or floorstanding rotating store fixtures. With mirrors featured on the sides of these displays it's easy for customers to view themselves and see how they look in a new set of frames or shades.
