

Solar module price statistics

Overview

Access Anza's free quarterly PV panel price insights report for pricing data from more than 95% of the U.S. module supply.

Access Anza's free quarterly PV panel price insights report for pricing data from more than 95% of the U.S. module supply.

Every month we publish a current price index on the development of wholesale prices of solar modules. In doing so, we differentiate between the main technologies available on the market. Since 2009, pvXchange has provided a unique price index for the European market, which has become an invaluable.

Our deep supplier relationships, relevancy, and scale enable us to aggregate pricing, availability, and product and manufacturer data from across the market into a one-of-a-kind tool for solar module and energy storage buyers. We compiled our platform median solar panel pricing data from more than.
