Overview

Discover Jackery solar generators, portable power stations, and solar panels built for essential home backup, RV adventures, and camping.

Discover Jackery solar generators, portable power stations, and solar panels built for essential home backup, RV adventures, and camping.

Essential Home Backup: The Jackery HomePower 3600 Plus delivers 3600W output (7200W in parallel) to run pumps, heaters, and dryers with ease. With dual voltage (120V & 240V in parallel) and 3584Wh capacity expandable to 21kWh per unit or 43kWh with multiple units, it can power a 3-person household.

Eco-Friendly Power Solution: Zero-emission, LiFePO₄-powered energy storage is environmentally safe, reducing your carbon footprint and fuel dependency. User-Friendly Design: An integrated LED display shows the pod's charge level, allowing you to manage and monitor power usage effectively. Durable.

Stay powered during power outages with reliable Jackery solar generators. Adventure awaits - power up with Jackery Solar Generators for endless possibilities. Portable Power for Your RV Adventures - Jackery Solar Generator, Always Ready to Go. Power your marine adventures with Jackery Solar.

Recharge the generator in three ways: using solar panels, wind turbines, or AC power. Recharging speed varies based on sunlight or wind strength Want it faster?
