Find a huge range of UPS - Uninterruptible Power Supplies at Farnell Sweden. We stock a large selection of UPS - Uninterruptible Power Supplies, including new and most popular products from the world's top manufacturers including: Apc, Siemens, Phoenix Contact, Ea Elektro-automatik & Schneider.

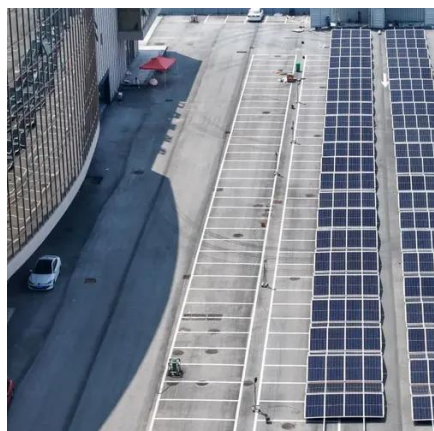

Uninterruptible industrial power supply is crucial to stay productive and generate revenue. Industrial manufacturers can benefit from independent power systems including uninterruptible power supply even for high continuous energy demand created by their production processes. Whether for food.

Our static uninterruptible power supply (UPS) systems comply with the VFI-SS-11 classification according to IEC 62040-3. With their robust industrial design, they support a secure consumer supply in continuous operation. In times of energy transition, our UPS systems protect against system failures.

Elfa Distrelec becomes RS - time to move over! We're in the middle of the transition to RS, where your account, pricing, and service will soon be available along with an even broader product range, more service solutions and a dedicated website in Swedish. The move and closing of the Elfa Distrelec.
