

# Western Europe Solar Tile Wholesale

## Overview

---

What are autarq solar roof tiles?

Roof tile and solar module in one. Autarq solar roof tiles are original roof tiles with integrated miniature solar modules. They are almost indistinguishable from regular roof tiles and blend seamlessly into the overall aesthetic of your roof. Gain freedom from electricity suppliers and soaring prices.

What is etile solar roof?

Meet the eTile solar roof series - aesthetic photovoltaics integrated into the roofing. Polish manufacturer, premium solutions for the demanding.

Why should you choose a wholesale Tile Company?

As a wholesale tile company with an innovative twist, we're driving a new age of tiles, where unparalleled quality standards meet remarkable designs. Collaborating with world-class manufacturers in Spain, Italy and other parts of Europe, we have formed a reputation for excellence, home to the globe's leading tile collection.
