Get your own clean energy straight from the source. Whether you own a home, business, or multifamily property, you can generate your own affordable clean energy by installing solar at your property. Solar can lower your electric bill, reduce your carbon footprint, and even increase your property.

Join thousands of your NY neighbors who have chosen Trinity to go solar, replace an old roof, or do both. When you get solar panels or a new roof with us, expect a seamless process and great benefits. If you buy your solar system with cash or a loan, recoup 30% of the cost through a federal tax.

Generate your own clean energy from the sun for free with solar. Add Powerwall to store your energy for use anytime you need it. Flexible financing and low monthly lease options can help you secure the best price for your solar system. By installing solar panels, you can also reduce your reliance.

Bluetti is committed to offering dependable, powerful and long-lasting power sources for outdoor adventurers, recreational activities, and any emergency situation. We is known for quality and durability, providing customers with a dependable source of energy when they need it most. With a mission.
