

# Wholesale 30kw solar inverter in Brisbane

## Overview

---

What is a 30kW solar inverter?

The 30KW package is a great middle ground between a smaller 15KW solar system and our heavy duty 50KW - 100KW commercial systems. We have access to the most advanced Tier 1 solar technology in the business, offering high conversion efficiency and minimal maintenance costs. Why do I need a solar inverter?

Terms & Condition's Privacy Policy.
